**RESPONSE TO NOTICE TO FILE CORRECTED APPLICATION PAPERS**

Honorable Commissioner  
of Patents and Trademarks  
Washington, D.C. 20231

Dear Sir:

In response to the Notice to File Corrected Application Papers, Applicant provides the following.

First, the requirement cited by the office is only applicable to cases filed after September 23, 1996 (see MPEP § 608.01 (m)). The present application is based on a parent disclosure filed June 2, 1995, and, as such, it is believed that such requirement is not applicable to the present filing.

Second, claims 1 – 37 were canceled in the Preliminary Amendment filed on January 10, 2001 in favor of new claims 38 – 66. Thus, the claims referred to in the Notice as “not commencing on a separate page” are no longer pending, so the informality cited is believed to be moot at this point. The only current pending claims were already submitted on a separate piece of paper with the preliminary amendment, so it is believed that the application in fact does meet even the new requirements cited by the Office.

Date: Thursday, April 12, 2001

Respectfully submitted,  
  
J. Nicholas Gross, Attorney, Reg. No. 34,175

I hereby certify that the foregoing is being deposited with the U.S. Postal Service, postage prepaid, to the Commissioner of Patents and Trademarks, this 12th of April 2001.
